Dear Friend:

Thank you for your support over the years.

We have been sharing the history, culture, and contributions of Chinese Americans since 2005. Students, educators, and visitors have attended hundreds of programs and exhibits to learn about the history of the Chinese in America! This includes stories about their struggles, racial discrimination, customs, military service, political activism, and contributions to the community.

We need your help to continue programs for exhibitions, education, and research. The COVID-19 pandemic has taught us that many of our programs and exhibits best be shared virtually. With your donations, we will upgrade our collections software, online access, and collections storage systems.

We rely on your generous donations to fund our exhibitions and public programs and would like to end the year strong, despite setbacks due to COVID-19. Our year end goal is to raise \$25,000. With your support we can reach our goal. Make a donation to the museum before the end of the year and continue to show your support for our mission and vision.

Your generous donation will allow us to host exhibitions and public programs to help us inspire the next generation of young people to take on a greater role in their communities and to understand the identities and histories of Chinese Americans.

There are a number of ways you can donate:

- 1) Click on the Donate button on our website: www.ccamuseum.org/donate. You can give a monthly, one-time payment, or a check payable to CHINATOWN MUSEUM FOUNDATION.
- 2) Our Donor Wall located in the front reception area is an opportunity for you memorialize, recognize, and honor your family member, friend, or organization. There are limited spaces for laser-etched glass bricks filled with gold color for gifts of \$1,000 and above.
- 3) You can easily support us when you shop at Amazon at: smile.amazon.com. You can help us by selecting "CHINATOWN MUSEUM FOUNDATION" from the Charitable Organization List when you make an Amazon purchase. There is no cost to you but it will make a difference to us.
